The school year of 1969-70 was filled with activities for the Seniors. Their Homecoming float "Tigers Are Ahead Even Before They Start", took 2nd place. Theresa Robinson represented the class at the Homecoming Dance. Their Stunt Night play was entitled "History Old and New" and they also took 2nd place in this.

The Yearbook took time and effort, but it was a joy to work on. Many memories were acquired working on the class play, "Finders Creepers".

Always looking ahead to baccalaureate, May 24, and Graduation, May 25, the Seniors also reviewed their years spent at Manhattan High School with fond remembrances.

The season

Manhattan had an exciting and interesting track season for both the boys and girls. This was the first season in which the new track could be used to its fullest potential. The result was a tremendous turnout and two very fine High School teams.

The boys District meet was held here in Manhattan in which we placed first scoring $106\frac{1}{2}$ points. Bill Loesberg took top scoring honors with nineteen points.

The Girls District was held also in Manhattan. The girls scored 80 points and tied for first place with Belgrade.

Boys Divisional was held in Billings with our team scoring 55 points and placing second.

The Girls Divisional meet took place in Dillon on May 16th with the girls scoring 42 points and taking top honors and a trophy home with them.

Bill Loesberg placed first in the Shot Put at State held in Missoula. Bill was the only member to score which gave us six points for the meet.

Connie Cruz was the only girl from Manhattan who placed at state in Billings. She tied for second on the High Jump and gave Manhattan 3.5 points.

Editor's Message

The annual is a method used by many schools to remember the events that have taken place through the year. We have incorporated some new ideas and techniques in this years annual and I think you will find it contains some interesting happenings and thoughts worth preserving.

I want to thank Kathy and Connie along with Mrs. Waters and the Staff for the giving of their valuable time and energy to make all this a reality.

Thank you,
Don Mattson
